HOMES

PURA BROCHURE DE VENTAS 2024

PEACEFUL
HOMES

Each home is thoughtfully designed to provide privacy and a sense of openness, immersed in nature with modern luxuries.

INCREDIBLE LOCATION,

4 minutes from the ocean, 4 minutes from downtown Tulum & commercial area of Aldea Zama.

We play with the natural elements to create revitalizing energetic fields that offer true health and long lasting value

FRUIT TREES & COMMUNITY GARDENS

Pura gardens offer a field of healthy relationships for a lifetime.

POLLINATION

Cultivating bees enhances the quality of the environment for people to feel good and recharge.

THERMAL DELIGHT

building in sync with patterns of the sun, wind, light, moon path and rain.

SMART DESIGN

Built smart for functionality & easy maintenance

HEALTHY WATER MANAGEMENT

Regenerative locally managed water systems.

ANCIENT TECHNIQUES

Reinterpreting

Mayan traditions that empower local knowledge while enhancing life at Pura.

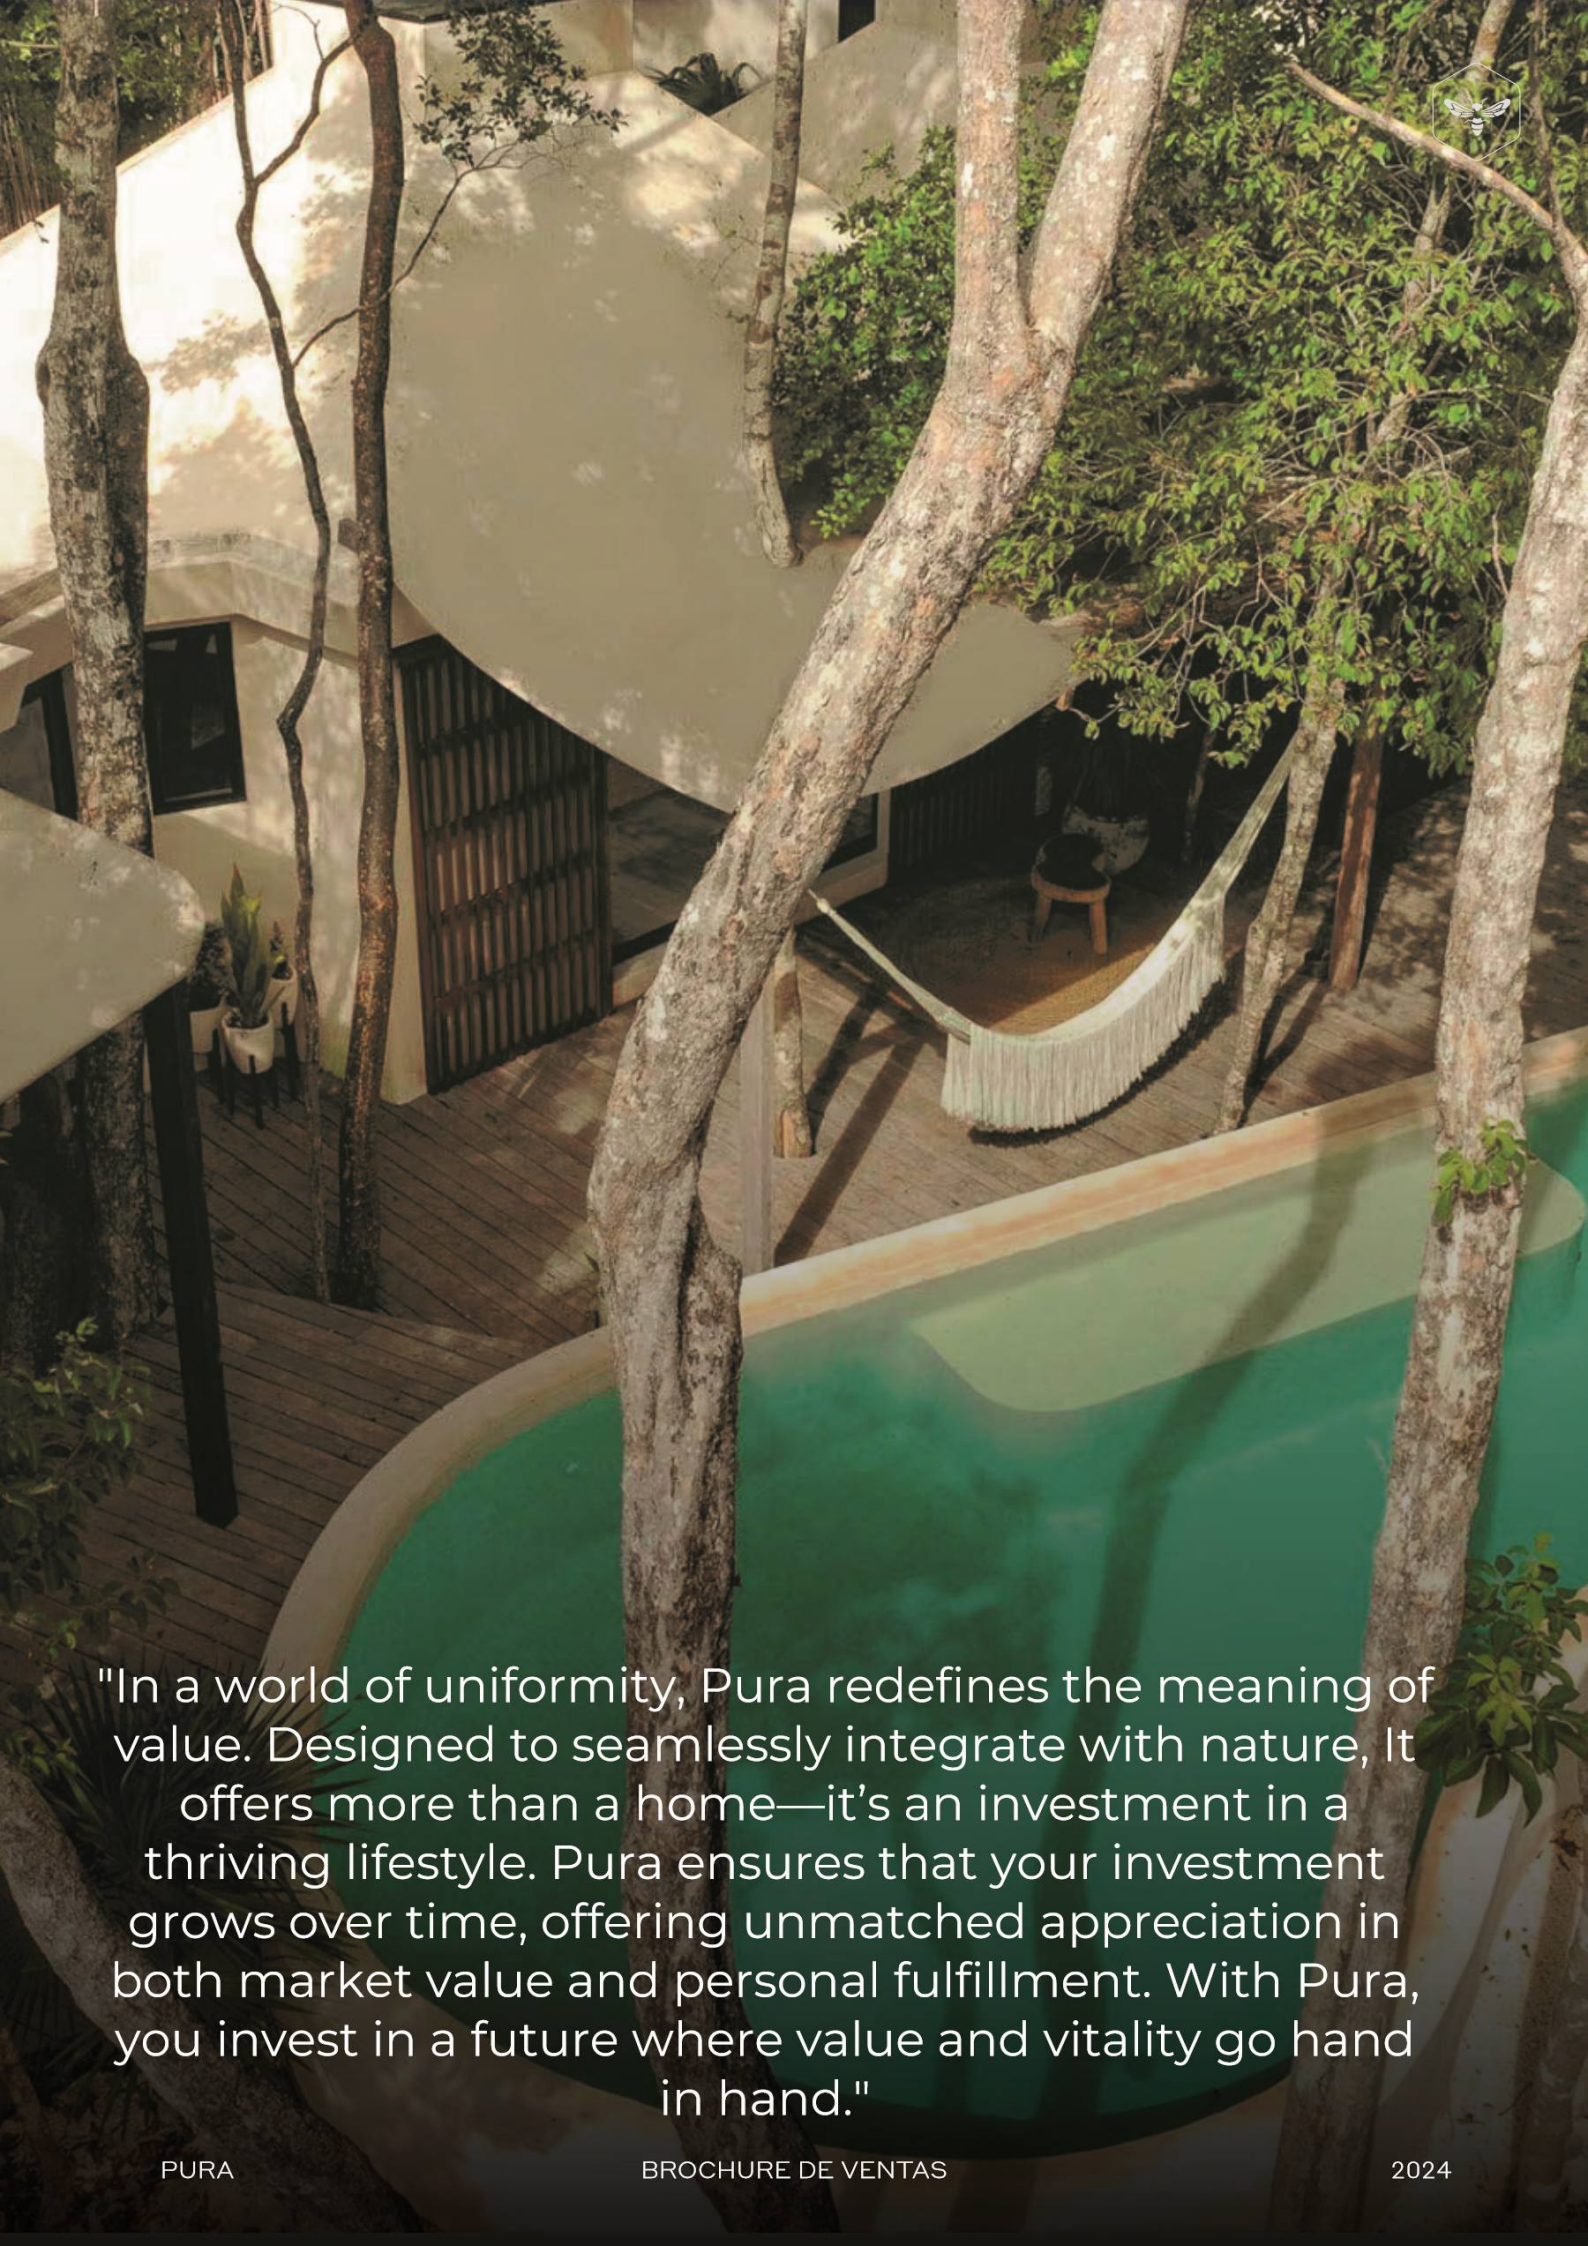
SOIL PRESERVATION

70% of the soil is preserved and nurtured with permaculture practices.

Phase 2

3 & 4 Bedroom, customizable homes . The second generation of Pura

1. Enhanced functionality
2. Higher climate responsiveness
3. Better proportion between the social and intimate areas



"In a world of uniformity, Pura redefines the meaning of value. Designed to seamlessly integrate with nature, It offers more than a home—it’s an investment in a thriving lifestyle. Pura ensures that your investment grows over time, offering unmatched appreciation in both market value and personal fulfillment. With Pura, you invest in a future where value and vitality go hand in hand."

Integrating timeless elements
with contemporary life.

Welcome to your peaceful place
