PROGRESS OF THE PROJECT

FIRST TRUE LUXURY DEVELOPMENT IN TULUM

FACTS

The MISTIQ Tulum project makes history as the first true luxury development in the region.

With innovative leadership, MISTIQ developer has managed to position itself as a pioneer in the premium housing segment in Tulum.

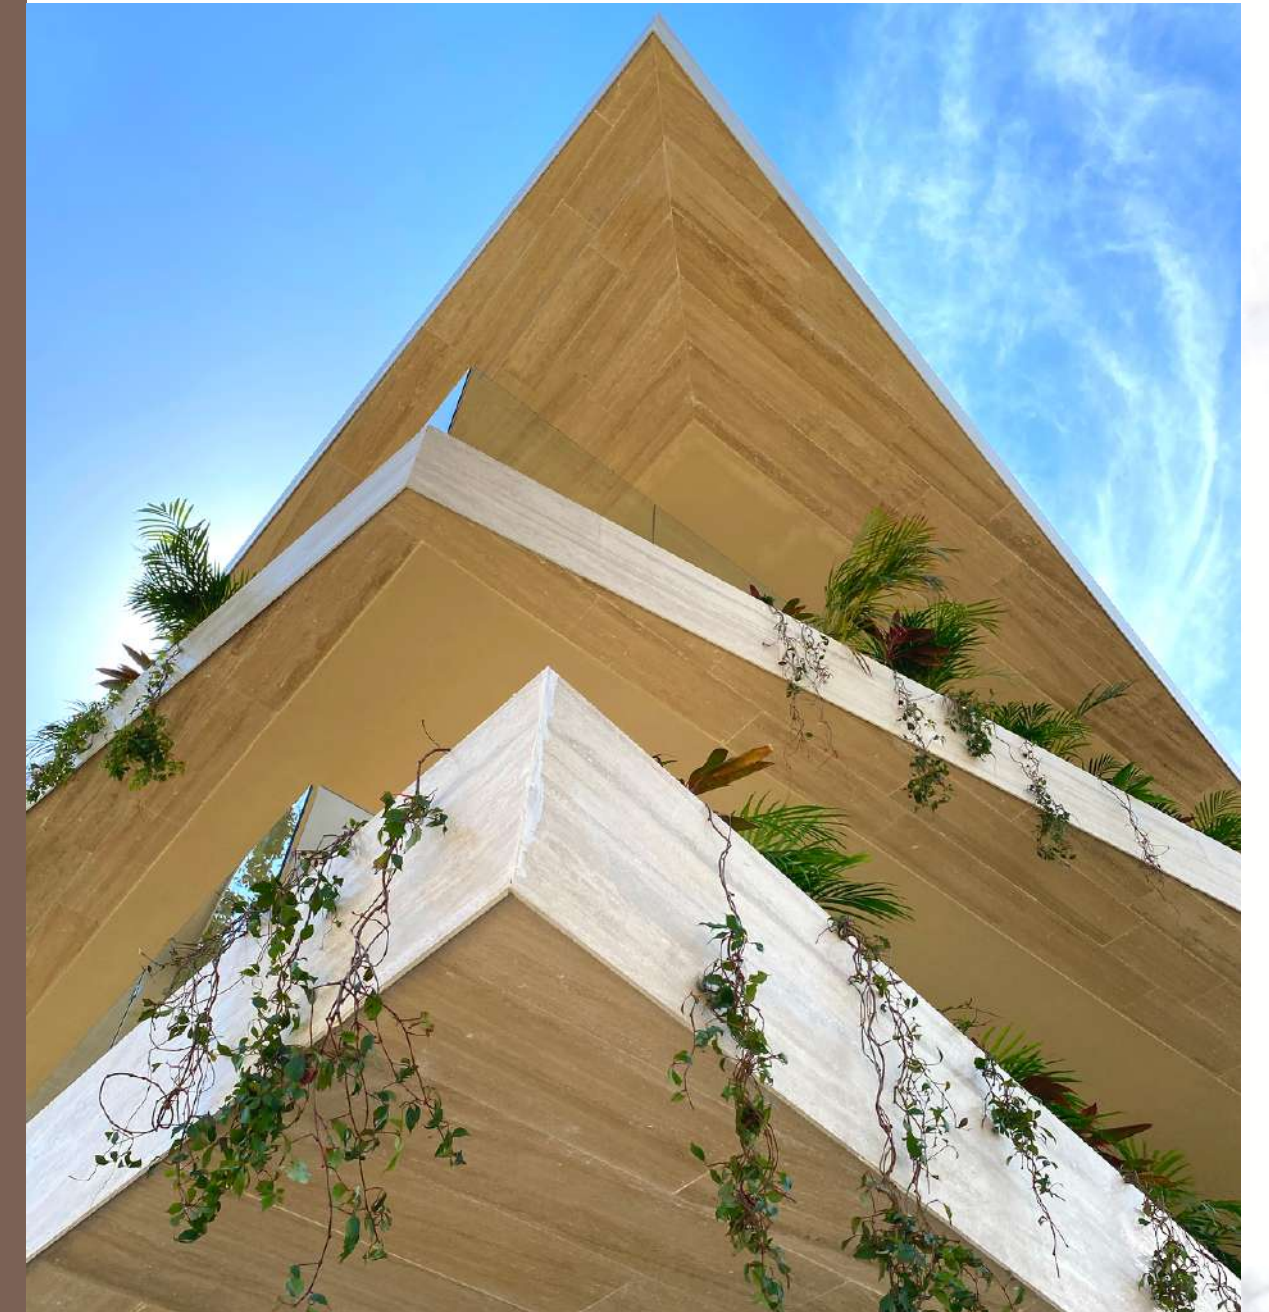

The project has adhered to current environmental legislation, promoting a minimal ecological impact.

RECORDS

MISTIQ Tulum sold 60% of the residences during the pre-sale, a figure that demonstrates a high confidence in the project success.

The construction of MISTIQ Tulum began in November 2018. A year later the project registered a 75% work progress, a real record for the real estate industry of the Riviera Maya.
