

KAANA TULUM

Kaana Tulum was born of the desire to reconnect with nature, and from the aim of merging the luminescent grandeur of the Caribbean coast of **Quintana Roo** with the delicacy, symmetry and minimalism of *Boho chic* architecture. Located in the heart of Tulum, **Kaana Tulum** is the only residential development that offers its residents a harmonious experience with the surrounding jungle as part of a contemplative environment characterized by a mood of absolute relaxation.
