¿ What makes
Akasha
Apartments
special?

These beautiful apartments are thought of for investors and/or young families. Its ideal location on Av La Selva, a road that strategically connects accesses to Tulum, gives it a great appreciation.

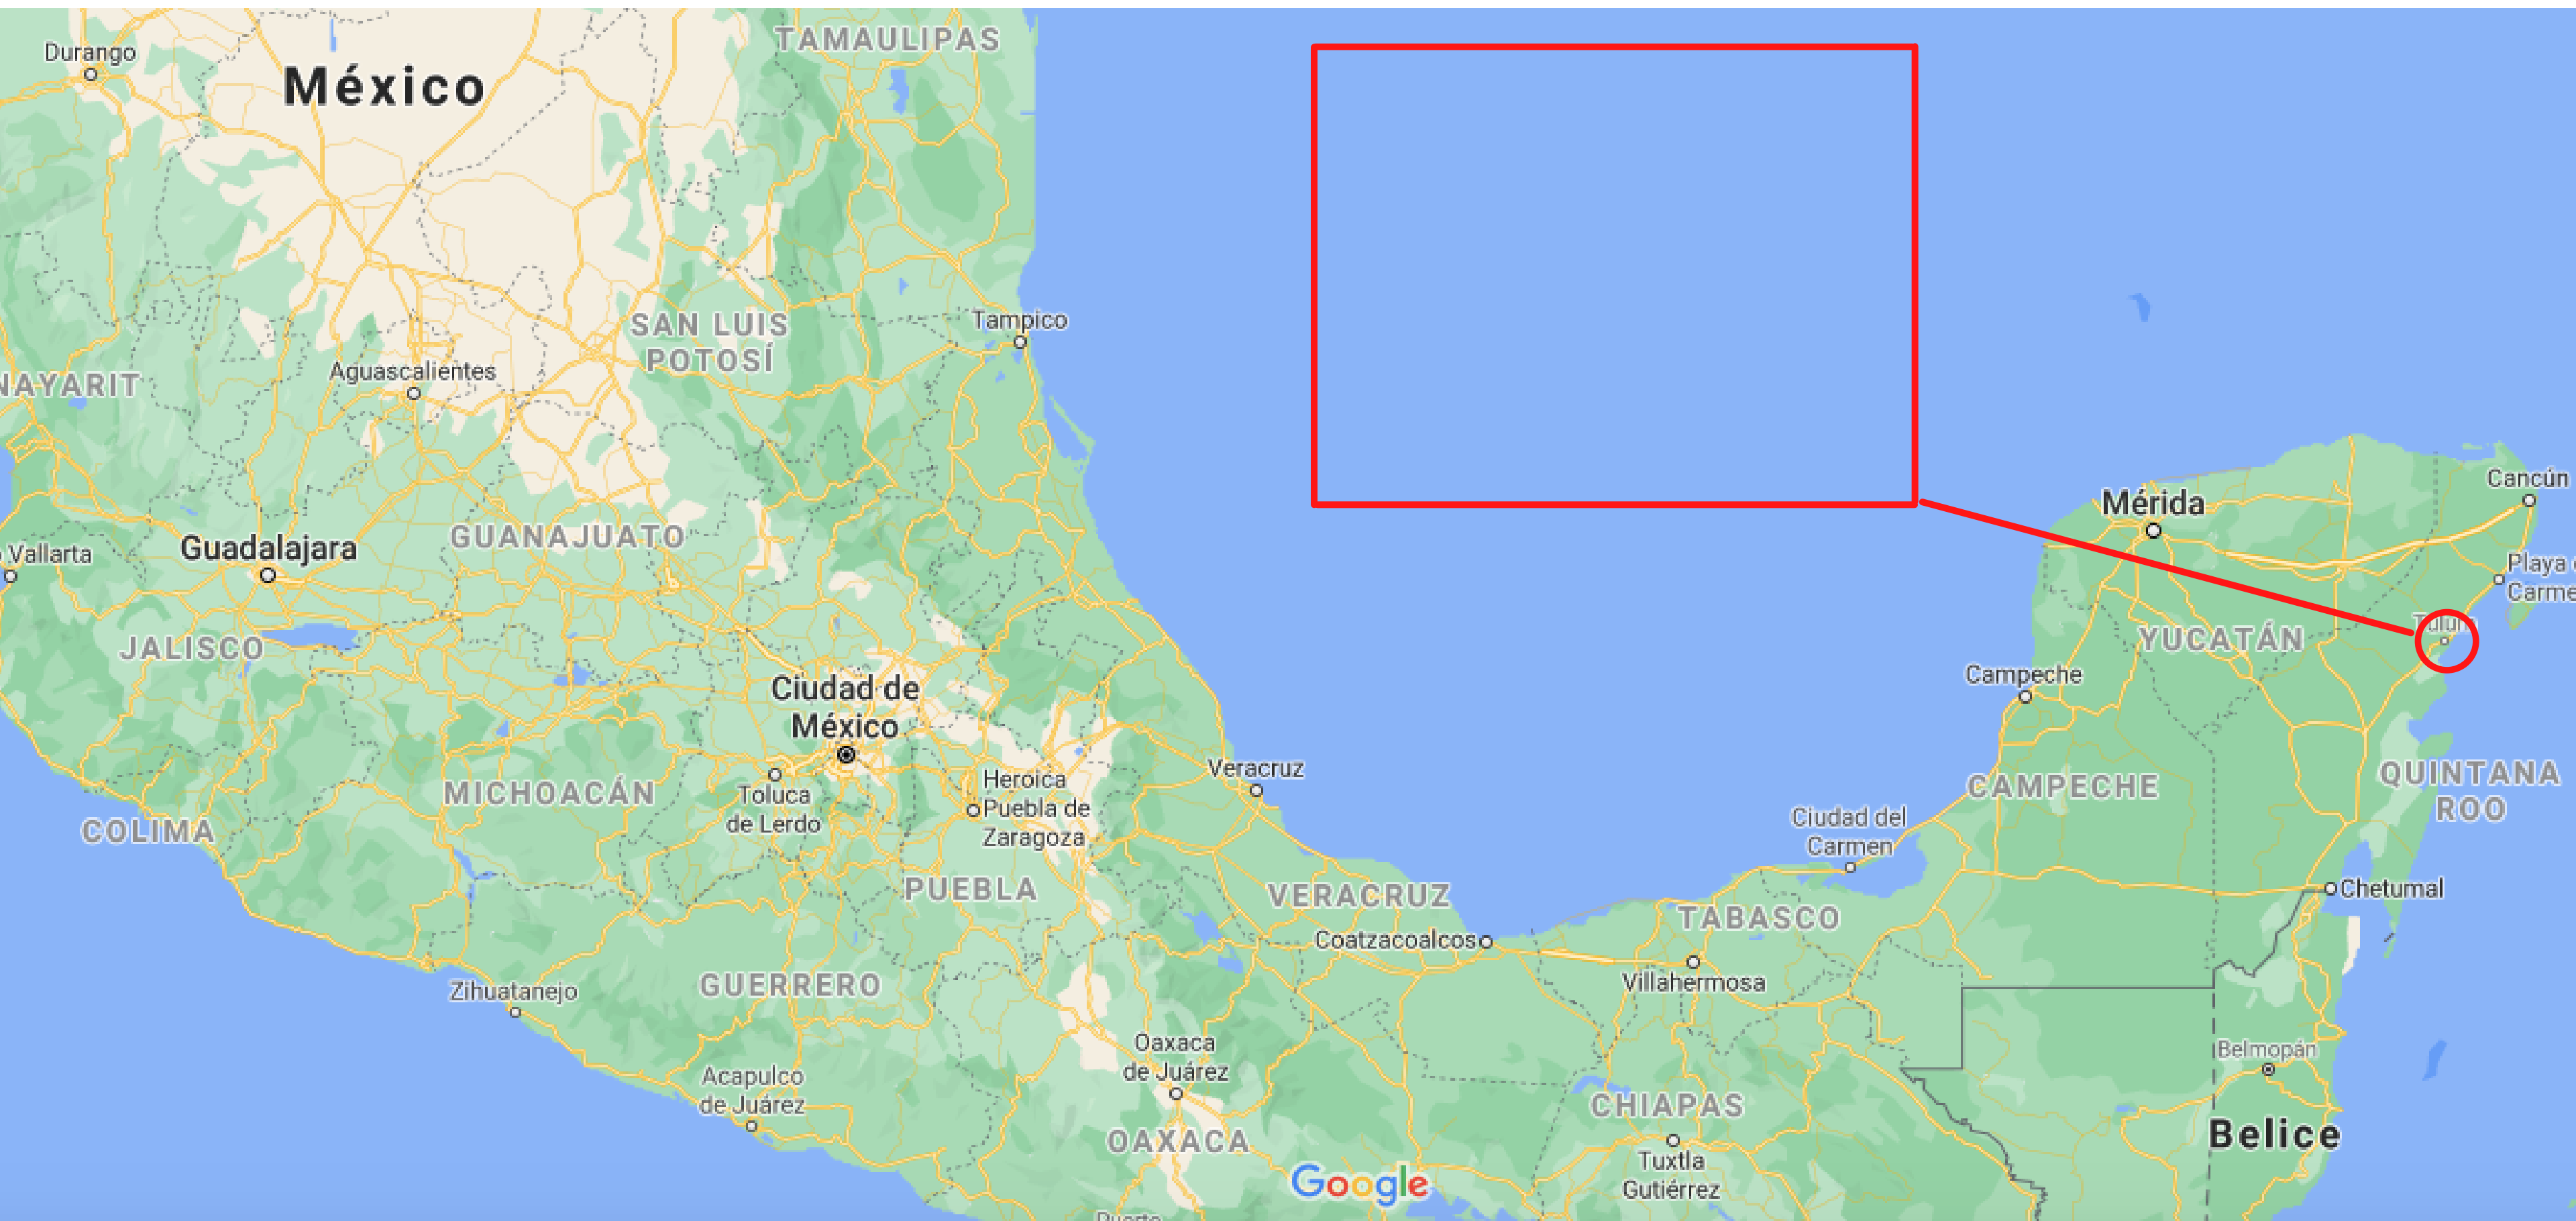

115 sqm conveniently distributed, high ceilings, excellent natural light, privacy, and top-quality finishes make these units a high-value investment due to the proven and self-evident ROI of Tulum rentals market.

A modern, multi-story building with a light-colored stone facade and balconies. The building features large windows and a prominent stone wall. The balconies have glass railings. The ground in front of the building is covered in gravel. A semi-transparent text box is overlaid on the image.

9 large apartments, spacious, comfortable, and visually charming.
A building designed to move freely, strategically located in Tulum.
