WELLNESS LIVING

WELLNESS IS THE NEW WAY

DNA BABEL

Wellness LIVING

Wellness Living because it is a place with amenities, experiences and curation of commercial projects, where the creation of a micro ecosystem becomes a lifestyle for permanent well-being.

Harmonic & HOLISTIC

We consider everything as an opportunity to create harmony, details and experiences in unison, since the holistic trend works as a new way of living in a constant synergy, between the place and the human experience of life.

Art

Art in every space and every space is art; a place where everyone wants to be and share its flagship architecture, thanks to the collaboration of artists in the creation of fixed and itinerant installations.

Artistic BABEL is living through art, as a way of cultivating creativity, sensitivity and imagination, with itinerant installations to preserve the project's constant artistic evolution.

Instagrammeable IN ITS DNA

Experience

All this to achieve disruptive and enveloping experiences, as we are committed to taking care of every detail of our brand personality, enhancing our concept and generating impact on the user, so that it translates into positioning the brand as a lifestyle.

Technological INNOVATION

Technological Innovation as a co-creative tool for well-being through orgones, tachyonic energy, quartz circuits and harmonization of water, among others, with a diaphanous and organic Trend Visual Tendence design. Spa, hammam, yoga, meditation, rituals, harmonic technologies, holistic architecture, among many other details, add to the daily experience of the *BABEL* lifestyle.

TRENDS

Wellness as the new way to be

Live a lifestyle that allows you to feel happy and fulfilled. Raising your potential and seeking physical, mental and spiritual balance.

The *wellness* trend is already a lifestyle worldwide, *BABEL* is the place to live it.

TRENDS

Holistic and Harmonic

BABEL is a space that considers everything as an opportunity to create harmony, details and experiences working in unison. The holistic trend works as a new way of living in constant harmony between place and the human experience of life.

Spa, hammam, yoga, meditation, rituals, harmonic technologies, holistic architecture among many other details, will add to the daily experience of the *BABEL* lifestyle.

TRENDS

Artistic

Living through *art*, as a way to cultivate creativity, sensitivity and imagination.

Through itinerant installations that keep the project in a constant artistic evolution, as well as the curation of art pieces in each of our units, we will paint the *BABEL* life experience with artistic tones.
