

NARAI

NARAI

Narai is born from a concept of transcendence, which allows you to breathe and enjoy knowing that you have arrived at YOUR place. We are always in the constant search for a sense of belonging, in search of a place that we can call home.

VISION OF PLANNING

DESIGN

CONSTRUCTION

We have created a space that will allow you to create valuable moments and make memories for a lifetime, where being yourself means enjoying a full life. Because while there are many places you could live, Narai is more than that, it's your home.

NARAI

Tulum is the paradise that everyone wants to know, truly unique, full of magic and mysticism.

The fine white sand beaches, where its shades of turquoise blue and its bohemian atmosphere invite you to relax surrounded by nature.

This magical town lives up to its name, Tulum is an experience like no other, the town has all the charm you could ask for and more

AMENITIES

NARAI

In this way, a project as exclusive as Narai offers the greatest comfort with luxury amenities among which you will find:

⊗ Reception

⊗ Pool with swimming lane and swim up access on the ground floor

⊗ Rooftop with pool

⊗ Solarium

⊗ Jacuzzi

⊗ Cinema

⊗ Gym of 100 m²

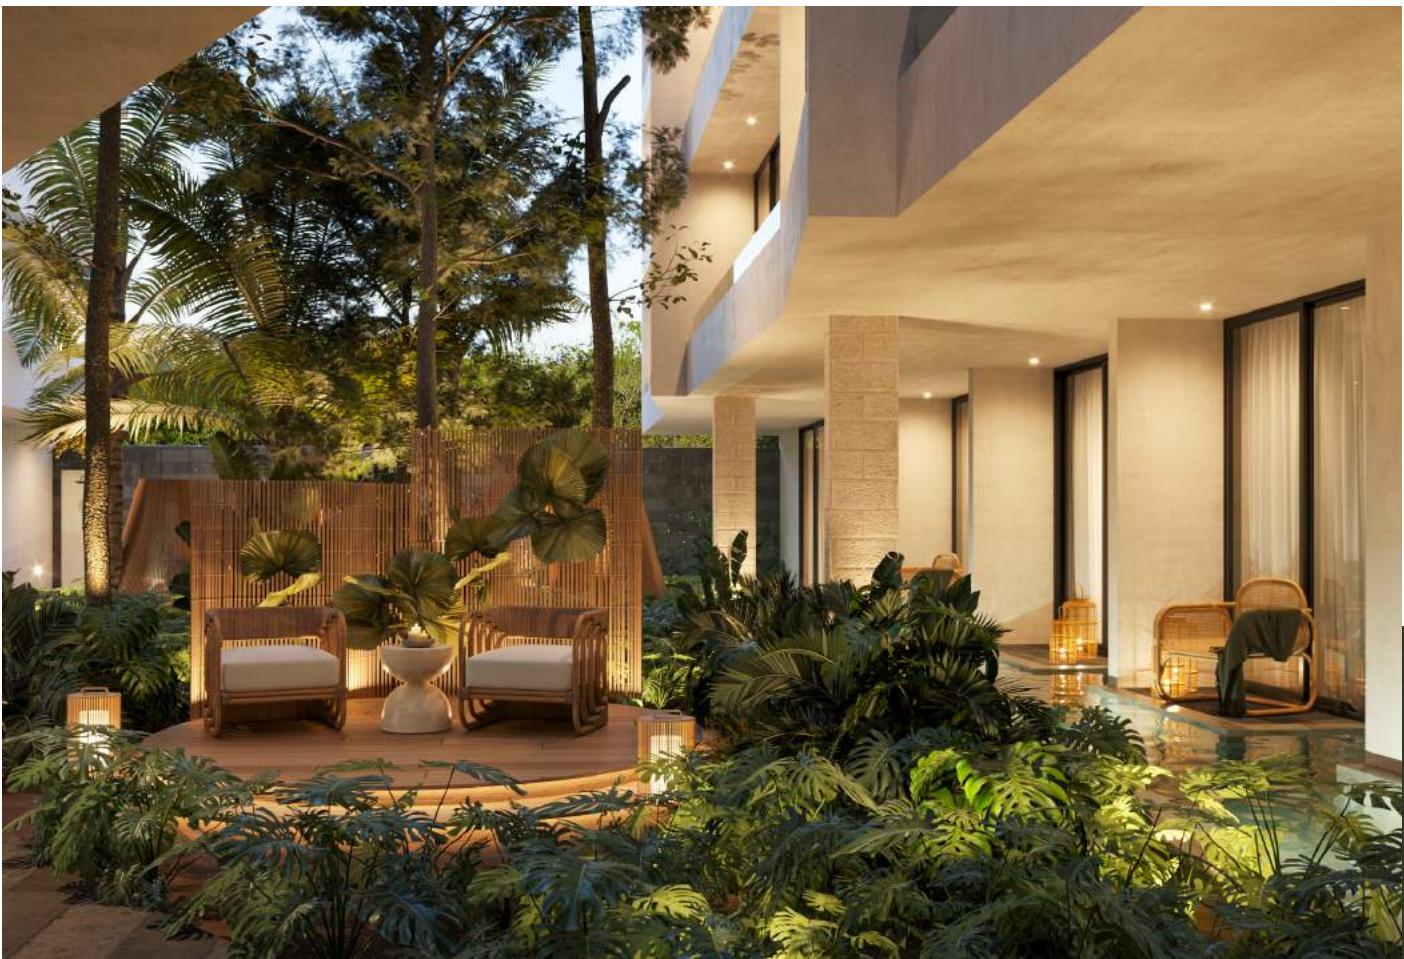

⊗ Commercial premises

FINISHES

Its architecture is a unique combination, a perfect game of geometries and fluid rhythms that are reflected in its peculiar circular facade, with its own identity that extends to its interiors; with volumes and textures that reaffirm the union of the various elements in its environment. With marble and wood finishes, where warm and neutral tones predominate, highlighting its large windows and terraces that provide great light to each space.
