## Observations

- 1) This price list is subject to possible modifications depending on availability or project needs and must be validated with current availability.
- 2) Once the location is reserved, there will be 10 business days from the payment of the reservation to deliver the complete buyer documentation, sign the corresponding paperwork, and settle the first part of the down payment as established in this quotation.
- 3) Payment during construction is calculated based on the apartment delivery date and changes over the months, so this quotation will always be subject to the date the transaction is formalized and the months corresponding to that date.
- 4) The prices indicated do not include notary expenses and/or deed processing fees.
